University of Georgia- High School Residency Program for Minority Students, Accounting

Since 1998 the Georgia Society of CPAs (GSCPA) and the University of Georgia have hosted the High School Residency Program for Minority Students. The goal of the program is to encourage bright individuals to consider careers in accounting and as CPAs. The students will stay in one of our residence halls, eat in campus dining halls and attend accounting-related informational sessions throughout the day. To encourage participation from as many qualified high school students as possible we have limited the program fee to \$50.

http://www.terry.uga.edu/diversity/accounting_residency.html DEADLINE: April 1, 2012

University of Houston Summer Business Institute

Current sophomores and juniors interested in business. The Institute is a three-day event designed for high school juniors and seniors to develop leadership skills, set goals for their future (both personally and in business), discover their future career in business, and experience the Houston business community through experiential learning and site tours! You do not necessarily need to be interested in attending the University of Houston, but I think this is a great local opportunity for exposure to business. <http://www.bauer.uh.edu/prospective/undergraduates/summer-camp.asp>.

DEADLINE: May 1, 2012

The University of Texas

Discover Yourself in Accounting Majors and Careers (DYNAMC) Program, July 8-13, 2012

Find out what accountants *really*. Spend a week in July, all expenses paid, at the top-rated McCombs School of Business on The University of Texas at Austin campus. Learn about diverse careers in accounting, from working at one of the Big 4 to the FBI. You will live in a residence hall; meet faculty, business professionals and other students interested in accounting; attend hands-on workshops; and take field trips to Austin-area firms. Make new friends, become familiar with the amazing UT campus and start thinking about how a degree in accounting can really add up.

<http://new.mcombs.utexas.edu> DEADLINE: April 2, 2012

The University of Texas McCombs Future Executive Academy (MFEA) June 10-15, 2012

This is your chance to discover what a Bachelor of Business Administration (BBA) degree and a career in business could mean for you. Spend a week in June, all expenses paid, at the top-rated McCombs School of Business on The University of Texas at Austin campus. You will live in a residence hall; meet faculty, business professionals and other students interested in business; attend hands-on workshops; take field trips to Austin-area companies; and create a real marketing plan for a local business. Join us and make new friends, become familiar with the amazing UT campus and begin building skills now that you can use to succeed at school and on the job.

<http://new.mcombs.utexas.edu>

DEADLINES: April 2, 2012

Engineering, Math, Science, and Technology

Baylor University Summer High School Science Research Program, June 4-July 29, 2012

Rising seniors. The High School Summer Science Research Program (HSSSRP) is designed to give superior high school students hands-on research experience by working on research projects with Baylor University science professors in many disciplines. Students will work side by side with research experts, learn how to use the latest research instruments and interpret data through techniques not usually available in high school laboratories, and participate in science and technology seminars. <http://www.baylor.edu/summerscience/>.
